We DO NOT allow students to carry their cell phones or any other electronic devices. Cell phones will be turned in at the start of camp and will be returned in the event of an emergency or when we return home.

Also, The Camp has asked we make you aware of some general camp rules.

They are found on the reverse of this paper.

I have read the letter of understanding including the Rules, Rules, Rules, and also Sa Ha Le's general camp rules. I agree to abide by these rules and accept discipline if I do not. I understand that in certain severe circumstances I may be asked to leave camp. In case of these circumstances I understand there will be no refund of my camp money and my parents will be responsible for my transportation away from camp.

By signing up for this event, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risks related to COVID-19. I understand that MCA will not mandate that people wear masks or social distance.
